Dear Sponsor,

On behalf of the Asian American Physician Association (AAPA), a non-profit organization serving Western New York since 1984, we are reaching out to invite your support for our upcoming milestone event.

For 40 years, AAPA has been dedicated to fostering collegiality among physicians, promoting healing and innovation, and serving both patients and the broader community. In addition, we proudly contribute to local and international charitable organizations.

On November 1, 2025, AAPA will host its 40th Annual Gala at Salvatore's Italian Gardens Banquet Hall. This celebratory evening typically welcomes more than 180 physicians and their spouses. Each year, AAPA also publishes its Annual Directory, which is distributed to all members during the annual meeting.

We invite you to support our mission through advertising opportunities in the Annual Directory or through event sponsorship.
